

STRATEGIC PLAN 2026-2030

Oceania Academy
of Cerebral Palsy and other
Childhood-onset Disabilities

PURPOSE

The Oceania Academy of Cerebral Palsy and other Childhood-Onset Disabilities aims to provide opportunities for connection, learning, and advocacy towards meaningful participation and improved quality of life for and with people with cerebral palsy and other childhood-onset disabilities across the lifespan, by promoting contemporary best practice that centres diverse lived experience and high-quality, multidisciplinary research.

PRIORITIES

Embed the role of people with lived experience of childhood-onset disability in the leadership and work of the Academy.

Promote best-practice through accessible, high-quality learning, knowledge exchange and visibility of research about and with people with childhood-onset disability across the lifespan.

Strengthen diversity through meaningful connection with and increased participation of people from geographic areas, cultures, disciplines, career stages and lived experiences who are currently underrepresented in Academy activities and membership.

Maintain and strengthen the Academy's governance and operational foundations to ensure long-term sustainability and impact within and beyond Oceania.
